“ My deepest condolences to the Perry family. Shirley was a good friend to my mom as they were both "Firemen wives"! RIP Shirley!

“ Shirley was a special woman. She always made you feel special yourself. I appreciated her dearly. So sorry I lost touch with her these past few years. I still cherish the outdoor concrete angel she and Kenneth brought to the house after Raymond went to be with our Lord and Savior Jesus Christ. Be comforted in Him and know you are lifted in prayer. Love in Christ, Delores Edwards

“ Even though I did not have the opportunity to spend much time with Shirley, I did enjoy our few visits. She was a wonderful person and raised a great daughter, my friend Carolyn. I still have the lovely Southwest wreath she got for me...straight from Texas! It hangs on my bedroom wall! Sending love and prayers for comfort to the family.

Love, Carol and Glenn
